Shiraz (Grand Masters) Hockey Program

Over a decade ago a group of senior players, many of whom had just retired from the Masters competitions, decided they wanted to keep playing hockey but within a social setting.

As a result, the Shiraz competition was created. The concept is simple with mixed teams of women and men forming two teams each week. This has continued ever since, played on the same night as the regular Masters competitions over the summer.

Hockey Tasmania see this competition as an integral part of the Masters program, and this year has seen a return to the numbers of a decade ago.

If you are interested in getting involved in a game of social hockey with like-minded (and like-paced) hockey players and/or you would like more information, please contact the Shiraz (Grand Masters) coordinator, John McCambridge <mccambridges@netspace.net.au> 0409 956 898

The Masters Umpire Panel includes a group of A Pool Umpires who umpired with and provided mentoring to a group of young graduates from the Hood Family Junior Umpire Academy. This initiative was established by SHL Umpire of the Year, Harry Winch. Thank you Harry, and to everyone involved in supporting the development of our young umpires.

Without umpires, we would not be able to conduct our competitions.

We need more players to put up their hands to umpire during the winter season. There are new resources now available on the Hockey Australia website to assist in learning the fundamentals and there are people within each club able to assist as umpire mentors. <https://www.hockey.org.au/hockey-ed/umpiring>

There are also resources available to assist anyone interested in becoming involved as a technical official. <https://www.hockey.org.au/hockey-ed/technical-officiating>

Anyone interested in umpiring and/or technical officiating is encouraged to contact our SHL officials at <shl.officiating@gmail.com>

**Alison Monk, SHL Officiating Coordinator; Greer Wells, SHL Technical Manager
Angela May & Harry Winch, SHL A Pool Umpire Managers**

Thank you to all members of the Masters Umpire Panel for your support of our Masters competitions.
